## PAINTING CONTRACTOR CERTIFICATION PROGRAM LIST OF INDEPENDENT TRAINED COATING INSPECTORS

*Editorial Note: This version of the document changes details for W. Mandeno.*

**Disclaimer:** This list of coating inspectors is provided in good faith to assist specifiers and project managers with the selection of suitably qualified and experienced coating inspectors for project work. CSIRO has only ascertained that, at the time of compilation of this list, the NACE qualifications held by the nominated individuals were current. Users of this list should make their own enquiries as to the continuing validity of these qualifications and the suitability of the listed organisation or people to carry out the required tasks. CSIRO makes no claim as to their suitability.
